This leaflet explains how your giving to this charity can be made to go 28% further.

This service is carried out by Stewardship, a Christian charity specialising in tax-effective giving. We take the strain off the charity, arranging all the paperwork and dealing with the Inland Revenue.

If you have any questions not addressed inside, do contact the Finance Dept, OM, The Quinta, Weston Rhyn, Oswestry, SY10 7LT (01691 773388).

How does it work?

The Gift Aid Scheme allows taxpayers to give to charities in such a way that tax you have already paid can be claimed back and added to your giving. So, with basic rate tax at 22%, a gift of £100 increases in value to £128. Stewardship handles this for the charity quickly and efficiently.

What payments can I make?

You can make regular payments from as little as £10 a month and single gifts of £30 or more. Payments are made to Stewardship who then send them on to the charity.

Can anyone do it?

You need to be a taxpayer and pay enough income tax (at whatever rate) or capital gains tax in each tax year to cover the tax reclaimed on your giving.

Is there any charge?

Stewardship keep 3% of the total gift from the reclaimed tax, before sending the rest of the tax to the charity (a minimum deduction of £2 for a single gift applies). There is no direct cost to you.

What are my obligations?

There is no legal commitment to continue. If for any reason you need to stop, you can.

And if I pay higher rate tax?

There's good news for you! Higher rate tax payers receive extra relief claimed through their tax return.

What else should I know?

- Your donations should not be based on the tax

paid by another person (eg husband or wife) but by you personally.

- If you cease to be a tax payer or to pay enough tax, you should notify Stewardship so that we do not reclaim too much tax on your giving.

- You will be liable to refund the Inland Revenue if too much tax is recovered.
